Timeless

NEW FORM BASES "TIMELESS"

are perfect synthesis between novelty and simplicity, a timeless display for the Fashion World. "Timeless", a useful, economic, efficient way to display your refs: economic, because of state-of-the-art production technology it's possible to produce at lowest; efficient, easy to assemble and utilize; exciting, because the four styles (round, square, elliptic and rectangular) combined by the three mat. finish such as clear, metalized plastic material, plus a steel sheet/ plastic one give completeness to project. Arthemagroup since its establishment is headed to new, advanced technologies naturally featuring total customer's satisfaction.

LES NOUVEAUX PIEDS "TIMELESS"

sont la synthèse entre recherche et simplicité, le display éternel. "Timeless", présenter d'une façon simple, efficace et émotionnante. La série, économique, grâce à sa technologie d'avant-garde permet d'obtenir un élément à prix fortement compétitif; efficace, pour la rapidité de montage et utilization; émotionnante,

parce que les quatre styles (rond, rectangulaire, carré, elliptique) et les trois finitions (plastique transparente, métallisée, recouverte par lame en acier) donnent caractère exhaustif au projet. Dès sa fondation, Arthemagroup investit à la recherche de solutions évolutives au service du client, d'une manière 100% naturelle.

DIE NEUEN BASIS "TIMELESS"

Synthese zwischen Forschung und Einfachheit, Aussteller ohne Zeit. "Timeless" bedeutet eine preiswerte, wirksame und aufregende Weise auszustellen. Preiswert, weil die Herstellungstechnologie erlaubt, einen wettbewerbsfähigen Artikel zu erhalten. Wirksam, auf Grund der Schnelligkeit der Montage sowie des Transports. Aufregend, da die vier Auflagen (rund, viereckig, rechteckig und elliptisch) zusammen mit den drei Ausführungen (transparenter Plastik, metallisierter Plastik und mit verchromtem Blech bedeckter Plastik) dem Projekt Vollständigkeit geben. Seit jeher hat Arthemagroup in Forschungen moderner Lösungen zum Kundendienst auf eine 100% natürliche Weise investiert.

LE NUOVE BASI "TIMELESS"

sintesi fra ricerca e semplicità, display senza tempo. "Timeless" significa esporre in modo economico, efficiente ed emozionante. Economico perché la tecnologia di produzione consente di ottenere un elemento a prezzo fortemente competitivo. Efficiente per la rapidità di montaggio ed utilizzo. Emozionante perché le quattro versioni (rotonda, quadrata, rettangolare ed ellittica) unite alle tre finiture (plastica trasparente, plastica metallizzata e plastica ricoperta da lamiera cromata) danno completezza al progetto. Da sempre Arthemagroup investe nella ricerca di soluzioni tecniche d'avanguardia al servizio del cliente, in modo naturale al 100%.
